EDUCATION

Graphic Era Hill University, Bhimtal   **2024 − 2027**
BCA - Bachelor's of Computer Application   *Bhimtal, Uttarakhand*

EXPERIENCE

President — E-Cell   **2025 - At Present**
Role - President   *GEHU, Bhimtal*

- Serving as **President of Entrepreneurship Cell**, leading college team for **EDD IIT Madras** program and spearheading strategic initiatives to foster entrepreneurial ecosystem on campus.
- Previously led college team for **National Entrepreneurship Challenge (NEC)** by E-Cell IIT Bombay, organizing campus events and completing team challenges among 3000+ participating colleges nationwide.
- Developed and launched the official E-Cell website from scratch, achieving Google search indexing and establishing the organization's digital presence.

PROJECTS

E-Cell Gehu Bhimtal - Official Website 🔗 | React.js, Tailwind CSS   **2025**

- Designed and developed the official website for E-Cell GEHU Bhimtal, serving as the digital face of the entrepreneurship cell.
- Built a fully responsive and modern user interface using React.js with Tailwind CSS for efficient styling and design consistency.
- Implemented SEO optimization techniques, achieving Google search engine indexing for improved visibility.
- Created dynamic sections showcasing events, team profiles, blogs, and announcements with smooth navigation and animations.

Pawtect - Dog Rescue and Adoption Platform 🔗 | MongoDB, Express, React, Node.js   **2025**

- Developed a full-stack dog rescue and adoption platform using MERN stack with JWT-based authentication, enabling role-based access for adopters, NGOs, and shelter organizations.
- Implemented key features including pet listing management, adoption request handling, and admin dashboard for NGOs to manage rescue operations efficiently.
- Designed responsive UI using React and Tailwind CSS, featuring dynamic dashboards and real-time event tracking for users and organizations.
